

ForesightNZ playing cards

Compete, collaborate, create – one deck, infinite possibilities

Thank you for downloading the printable PDF version of the *ForesightNZ* playing cards.

36 participants aged 18 to 25 came together from throughout New Zealand to explore the events and trends that could shape our long-term future. From 27 to 29 April 2016, participants worked to create a robust foresight tool in the form of a card game.

Post a photo or tweet your interesting scenarios using the hashtag #foresightnz to contribute to the national conversation around New Zealand's long-term future.

To learn more about the *ForesightNZ* Workshop, see the website at www.foresightnz.org.
